Deputy Director, Intelligence Community Staff

FROM : Richard J. Kerr
Associate Deputy Director for Intelligence

SUBJECT : CIA/DI Coordination on Intelligence Community
Requirements Review for SIG(Space) Manned Space
Station Study

25X1

CIA/DI concurs with the draft of the Intelligence Community Requirement Review for SIG(Space) Manned Space Station Study. We have identified no requirements that would necessitate development of an MSS as an intelligence collection platform. On the basis of potential long-term interests, we will continue to support the SIG(Space) process of addressing MSS associated policy issues.
